SECRETARY, FOOD & CIVIL SUPPLIES 30 OCT 1947

TO

A. S. Khaleel, Esq., B.A., B.L.,
Secretary to Government, Food & Civil Supplies Department
Bangalore.

SIR,

Subject: Opening of a new purchase depot at Keragod and entertainment of an additional establishment for Mandya Town Purchase Depot.

In enclosing herewith a copy of the letter No.S2.49/47-8 dated 15th September 1947, received from the Deputy Commissioner, Mandya District, requesting sanction for opening a new purchase depot at Keragod and for entertaining an additional temporary establishment of two measurers at Mandya Town purchase depot for a minimum period of two months only, i.e., August and September 1947 for purchase of Kar-ragi, I have the honor to state that out of the total surpluses of 5691 pallas estimated for the District 2212 pallas pertain to Mandya Taluk itself.

2. The Deputy Commissioner has recommended the opening of a new depot at Keragod and only an additional extra staff of two measurers at Mandya Town Depot for a minimum period of two months only i.e., August and September 1947 in order to cope with the purchase of the aforesaid quantity of Kar-ragi.

3. The Auditor & Accounting Officer, (Food Supplies Department), is of the opinion that Government Sanction may be obtained in view of the explanation offered for strengthening the number of measurers for an existing depot. A copy of his note is enclosed.

P.T.O.

I request you kindly to obtain sanction of Government in the matter early.

I have the honor to be,
Sir,
Your most obedient servant,

Addl. Director of Food Supplies.

AMD.

FORWARDED WITH COMPLIMENTS.

DIRECTOR OF FOOD SUPPLIES.

Letter No.S2.49/47-48 dated 15th September 1947 from the Deputy Commissioner, Mandya District, Mandya, to the Director of Food Supplies in Mysore, Bangalore.

Subject: Opening of new purchase depots at Mandya Town and Keragod for Kar ragi purchase in Mandya Taluk.

I have the honor to state that the cultivation of kar ragi crop is an unique feature obtained mostly in this district. The cultivation is taken up during 3 months in summer and harvesting commences from about July. The acquisition operations will be for about 2 months viz., August and September.

In this district, a total extent of 9646 acres were brought under plough this year for kar ragi cultivation. The surplus yield expected to be delivered to Government is 5691 pallas out of which 2212 pallas pertain to Mandya Taluk.

To cope up with the work of acquisition of kar ragi in Mandya Taluk it was found necessary to open two purchase depots one at Mandya and the other at Keragod as provided for in G.O.S.D.5673-84/A.85-43-14 dated 25-2-44. But keeping in view the economy of the extra expenditure in this regard the following additional staff, consistent with the minimum requirement have been entertained for the purpose for a period of 2 months from August 1947 as recommended by the Amildar.

1. Mandya Town: The existing Reserve Depot Clerk, Mandya on Rs.40/- will look after the work of Kar ragi purchases in addition to his duties. Only two temporary measurers on Rs.11/- plus 12 D.A. have been appointed for a period of 2 months. The total cost comes to Rs.92/- for the period.

2. Keragod: One purchase Depot Clerk on Rs.40/- plus 15 D.A. for two months. Two measurers on Rs.11 plus 12 D.A. for two months. The total cost for this depot comes to Rs.202-0-0 for the period.

In the circumstances explained, I request that the action taken by me in appointing the minimum staff for kar ragi purchases may kindly be approved. Necessary Government sanction may also be obtained and communicated.

Note dated 20th October 1947 of the Auditor & Accounting Officer, Food Supplies Department, Bangalore.

Government sanction is not required for opening any new depot. In this case since the extra measurers are being taken for an existing depot though the need for the same has been explained, sanction of Government is necessary.
